I. HARDSHIP FUNDING FOR SECOND CRITICAL PROJECT

The district requests the second critical project to be funded in accordance with revised State Allocation Board Regulation Section:

CHECK ONLY ONE

- ☐ 1866.5(b) (1) Additional district cash contribution
- ☐ 1866.5(b) (2) An apportionment, pursuant to Section 39619.5(b), provided that the district agrees to repay its 50 percent share of the additional critical project as an offset of future apportionments allowed, pursuant to Education Code Section 39619, in an amount equal to the basic calculation method per year, for a period not to exceed five years or until the apportionment is repaid.

II. HARDSHIP FUNDING FOR THREE OR MORE CRITICAL PROJECTS

CHECK ONLY ONE

- ☐ I understand the 50 percent cash contribution requirement, as stated in State Allocation Board Regulation 1865.5(c), and will make the required deposit into my Deferred Maintenance Account.
- ☐ The above-named district cannot afford the 50 percent required contribution, as outlined in State Allocation Board Regulation 1866.5(c), and therefore, wishes to withdraw all projects beyond two.
